

### Remarks

The Notice of Non-Compliant Amendment (37 CFR 1.121) indicated that an incorrect status identifier was provided for claim 30 in the amendment document filed on September 4, 2007.

Applicants submit herein a corrected claim listing. Namely, the status identifier for claim 30 has been corrected to “Currently amended” instead of “Original”. Applicants believe that each claim is now provided with a proper status identifier.

Applicants respectfully request the Examiner to consider Applicants' Amendments and Remarks filed on September 4, 2007.

Respectfully submitted,

Date: October 5, 2007
